Meet with Your Next Customer In-Person!

Purchase an exhibit booth at the CEDMC Fall Conference and take advantage of meeting potential customers face-to-face! This conference is the Council's premier annual event. The focus is on addressing key policy issues on how efficiency and demand management resources can be developed and enhanced through the support of solid and implementable policies. We bring together policy makers (e.g., elected leaders) with policy implementers (e.g., regulators) and other key stakeholders to address important current issues.

Typical attendance is around 250-300.

Why Should You Exhibit?

If your company provides energy-related technology products and services, you should have a presence at the CEDMC Fall Conference. We will be discussing technologies for energy efficiency, demand-side resources, clean energy financing, and more.

\$1,500 for Each Exhibit Booth Includes:

Time: Booths will be open from 8:30 am - 5:00 pm during the full conference on October 27

Location: Booths will be in the main ballroom for attendees to browse during breaks

Set Up Times: 6:00 - 8:00 pm on October 26 and/or 7:00 - 8:30 am on October 27
