

2023 MEMBERSHIP APPLICATION FORM

Please complete and send electronically to: admin@cedmc.org

By submitting this application, the Applicant accepts the following:

- Members of the California Efficiency and Demand Management Council (Council) are companies that offer energy efficiency and/or demand response services or products in California, wish to benefit from association with other companies in this industry, support the organization's mission statement, and will comply with the organization's bylaws, anti-trust policy and code of ethics.
- Members agree to pay their dues in a timely fashion and to participate in and contribute Council activities.
- The designated representative will be the primary contact for communication to and from Council.
- Applicants understand that acceptance of their application for membership is subject to approval by Council's Board of Directors, which will review the application for conformance with the Council's membership criteria.
